Message from **ALPHA**

Dear Alpha Win Triathletes,

The Alpha Win Triathlon Series is proud to produce our new event at Saugerties Village Beach in our hometown, the beautiful Saugerties, New York.

Participating in our triathlon series affords you the opportunity to enjoy a broad spectrum of events suited to meet your fitness goals. Whether you're completing your first race or are a seasoned veteran in the triathlon scene, the Alpha Win Endurance Team is here to make your experience a positive one.

As dedicated as our team is, this event would not be possible without the help of Village of Saugerties, Town of Saugerties, Saugerties Police Department, Green County Sheriff's Office, Green County Highway Department, Ulster County Public Works, Mobile Life Support and The Bicycle Rack for their bike tech support and of course the volunteers.

We would also like to thank our local sponsors, Village Bagels, Helsmoortel Insurance and Helsmoortel Realty. Be sure to stop by Village Bagels on Main Street for the best bagels in town, and keep Helsmoortel in mind for your insurance and realty needs.

With our triathlon season in full swing, our goals and mission remain the same. Whether it's the rolling hills in Saugerties, New York, or the sunny beaches in Sarasota, Florida, we wish to provide you with courses that challenge you, make you sweat, and leave you in awe of your own ability.

We hope you, your family and friends enjoy your Alpha Win Triathlon experience.

Thank You,
Alpha Win

ALPHA Win Triathlon Series

WHO ARE WE?

Alpha Win, formerly known as HITS Endurance, was created in 2011 to give athletes the chance to race at some of their favorite destinations and experience a level of personalized customer service that Alpha felt was lacking in some areas of the race industry. Alpha offers multiple race distances that appeal to a full range of skill and fitness level, from the first-time racer to the professional triathlete. From a one mile run to an Alpha 140.6, anyone can feel like an AlphaFemale or AlphaMale.

WHERE DID WE COME FROM?

Alpha's predecessor, HITS Endurance, grew as a division of the special events company HITS (Horse Shows In The Sun), founded in 1982, which focuses on producing equestrian show jumping events nationwide. HITS is the world's leader in hunter/jumper horse show competition, both in the number of events offered (over 40 horse shows each year) and in size, with more than 20,000 horses and riders competing annually. The key to HITS success in the equestrian world was the idea of catering to the pyramid bottom-up, offering a level of competition for every rider. In 2011, HITS started the HITS Triathlon Series with the mantra "A distance for everyone,"™ and attracted over 10,000 participants in its first year.

The HITS Triathlon Series offered five different race distances – Full, Half, Olympic, Alpha Win Sprint and Open. More than just offering a complete array of race opportunities, HITS was dedicated to providing the professional quality of a national event producer while delivering the personalized service of small local race organizer. Alpha Win promises to continue and expand this same dedication.

The first event in the HITS Triathlon Series was dubbed Palm Springs, but actually took place in La Quinta, California, in December 2011. Known for its moderate temperatures during winter months and the rugged beauty of the Coachella Valley desert region, HITS Triathlon Series – Palm Springs has proven to be a perennial favorite of triathletes across the country. HITS developed additional races in Naples and Ocala, Florida, Napa Valley, California, and Saugerties, New York, each offering its own unique flavor and backdrop.

WHO IS BEHIND ALPHA WIN?

TOMMY STRUZZIERI

Tommy Struzzieri is the son of Tom Struzzieri. Recently taking over the company from his father in 2020, Tommy has made multiple acquisitions, brought back some old favorites, and is in the process of introducing many new races. Tommy believes the endurance industry is primed for a company like Alpha that will help people get back to racing during these challenging times of the COVID pandemic. Tommy hopes that his efforts will help be a driving force to get the endurance world back on its feet. Tommy's interest in endurance sports started at an early age, going to watch his father race and join in on some early morning track workouts. He fell in love with endurance sports and was named an All-American age group triathlete at 12 years old. Through high school, he began to focus on running and despite multiple large-scale injuries, ran Division 1 track and Cross Country at Syracuse University.

Tommy continues to train as he works to grow Alpha Win and drives himself to be successful both personally and professionally. Along with Alpha, Tommy also owns a unique portable housing company called GenZHomes Inc.

TOM STRUZZIERI

Tom Struzzieri is the founder of HITS, Inc., the largest equine show jumping production company in the world, and has been running world-class events since 1977.

Tom's foray into triathlon was inspired by his own personal experience with the sport after receiving training sessions for his 50th birthday. Wanting to set a positive and powerful example to his three children that fitness and good health are essential ingredients for living life to its fullest, Tom embraced the challenges and rewards of his training. As many others before him, he became instantly hooked on the sense of fulfillment, well-being and personal accomplishment that came from his triathlon training. Overcoming personal obstacles with the challenges of the swim, bike and run only made it more of a passion and eventually a business interest. Tom recently completed his seventh full-distance race and his wife Jane is also a triathlete, having competed in several Alpha Win Sprint and Alpha 70.3 distance races.

WHERE WILL WE GO NEXT?

Alpha Win is confident you will enjoy every aspect of your race experience, from the course to the location, to the staff and the smile that will greet you at the finish line. With over 40 years of experience producing major athletic participation events, the knowledge backing the Alpha team ensures high-quality endurance events with a focus on its participants. Let Alpha Win be your next race.

Fasten it to your ankle, facing outward, over your wetsuit with the Velcro strap provided before the swim and leave it on until after you finish the run. If you lose your timing chip at any time during the race, please notify a timing official and you can receive a new one at transition. Volunteers will help you remove the chip at the finish line. If you do not start the race, you are responsible for returning the chip to timing. If you drop out or are pulled from the race at any time, turn in your chip to a race official. An athlete charged with a violation while in transition or on the run course shall be directed by the official to serve the penalty either in place or at the Penalty Area.

USAT ATHLETE EXCESS MEDICAL POLICY - The athlete excess medical coverage protects each participant for the day of the event at USAT sanctioned races, camps and clinics. When athletes purchase a USAT annual license or one day permit, a portion of those fees cover the cost to provide them with excess medical insurance. This coverage only extends to their participation in an USA Triathlon sanctioned event and is only available after the injured party has filed with any primary insurance policies. A deductible does apply for this excess coverage.

If an athlete is injured while participating in a USA Triathlon sanctioned event the following steps must be followed:

- Athletes must file with their primary healthcare provider (i.e. United Healthcare, Blue Cross, Blue Shield, Aetna, traveler's insurance, etc.).
- Athlete completes a medical claim form.
- For serious incidents or for athletes requesting coverage, either the race director or USAT can provide them with a medical claim form. The medical claim form along with all explanation of benefit documents should be sent directly from the athlete to the insurance company as indicated on the claim form. Please email Sanction@USATriathlon.org for a copy of the form.
- Athletes will pay a deductible. All claimants will pay anywhere from \$250 USD (two-hundred and fifty U.S. dollars) to \$1,000 USD (one thousand U.S. dollars) out of pocket and possibly more from uncovered expenses.

Be advised that coverage may not apply to each and every claim. Additionally, coverage only extends to participants that have purchased an USA Triathlon annual license or one-day permit and were injured through participation in an USA Triathlon sanctioned event. Please email questions to Sanction@USATriathlon.org.
