ATHLETE GUIDE | Lake San Antonio, CA - April 27, 2024

Message from **ALPHA WIN**

Dear Alphaletes,

Alpha Win is excited to welcome athletes to our brand new event offering, the first annual Lake San Antonio Triathlon in the sprawling hills of California.

The new race is in an iconic location in the beautiful scenery of Lake San Antonio, just outside of Paso Robles, CA. While this race is new to our line up, the Alpha Win motto of "A Distance for Everyone," is reflected in the offering of Sprint, Olympic and Long Course distances. Athletes also have the opportunity to compete in duathlon, aquabike and relay races.

Our mission is to get you to the finish line. By completing an Alpha Win triathlon, duathlon, or aqua bike, you will have tested your limits and accomplished a phenomenal feat that many people only dream to attain. We aim to deliver the best service and experience in order to guide you to achieve your goal.

This event would not be possible without the help and support of Monterey County, County of Monterey Parks, San Luis Obispo County, California Highway Patrol, Unlimited Biking for its bike tech support, and of course, the volunteers.

Over the past 11 years, many things have changed. Alpha Win has now expanded to offer 12 races across the country and will host approximately 10,000 athletes this year. One thing that hasn't changed is our passion for this sport and our commitment to provide a fun and safe race for all.

We hope you, your family, and friends enjoy your Alpha Win experience, and we look forward to having you join us again in 2025.

Thank you,

The Alpha Win Team

Getting to know

Alpha Win Triathlon Series

WHO IS ALPHA WIN?

Alpha Win, formerly known as HITS Endurance, was created in 2011 to give athletes the chance to race in beautiful locations across the country. As athletes themselves, the Alpha Win Team prides themselves on creating the race experience that they would want. Alpha Win strives to create a personalized customer service experience, while ensuring a professional and well-organized event. Alpha Win offers over a dozen events each year, and from triathlons and running events to guided biking tours, there is something for beginners and seasoned athletes alike.

WHERE DID THEY COME FROM?

Alpha Win's predecessor, HITS Endurance, grew as a division of the special events company HITS (Horse Shows In The Sun), founded in 1982, which focuses on producing equestrian show jumping events nationwide. The key to HITS' success in the equestrian world was the idea of catering to the pyramid bottom-up, offering a level of competition for every rider. In 2011, HITS started the HITS Triathlon Series with the mantra "A distance for everyone,"™ and attracted over 10,000 participants in its first year.

The first event in the HITS Triathlon Series was dubbed Palm Springs, but actually took place in La Quinta, California, in December 2011. Known for the rugged beauty of the Coachella Valley desert region, the Palm Springs Triathlon has proven to be a perennial favorite of triathletes across the country.

Following in HITS' footsteps, Alpha Win continues to produce the Palm Springs Triathlon, as well as races in Sarasota and Ocala, Florida, and stand out races Napa Valley Spring, Lake George, NY, and the Hudson Valley Marathon all with over 1,000 participants at each race.

Now in its fourth year of their rebrand, Alpha Win has expanded their race catalog to include 10 triathlons and 2 running events in New York, Florida, and California. Alpha Win has continued to offer "A distance for everyone,"™ a race for everyone, with several races growing in popularity each year.

WHO IS BEHIND ALPHA WIN?

TOMMY STRUZZIERI

Tommy Struzzieri is the son of Tom Struzzieri. Recently taking over the company from his father in 2020, Tommy has made multiple acquisitions, brought back some old favorites, and is in the process of introducing many new races. Tommy believes the endurance industry is primed for a company like Alpha that offers multiple distances at each event to attract all levels of athletes, from beginners to seasoned triathletes.

Tommy's interest in endurance sports started at an early age, going to watch his father race and join in on some early morning track workouts. He fell in love with endurance sports and was named an All-American age group triathlete at 12 years old. Through high school, he began to focus on running and despite multiple large-scale injuries, ran Division 1 track and Cross Country at Syracuse University.

Tommy continues to train as he works to grow Alpha Win and drives himself to be successful both personally and professionally. Along with Alpha, Tommy also owns a unique portable housing company called GenZHomes Inc.

TOM STRUZZIERI

Tom Struzzieri is the founder of HITS, Inc., the largest equine show jumping production company in the world, and has been running world-class events since 1977.

Tom's foray into triathlon was inspired by his own personal experience with the sport after receiving training sessions for his 50th birthday. Wanting to set a positive and powerful example to his three children that fitness and good health are essential ingredients for living life to its fullest, Tom embraced the challenges and rewards of his training. As many others before him, he became instantly hooked on the sense of fulfillment, well-being and personal accomplishment that came from his triathlon training. Overcoming personal obstacles with the challenges of the swim, bike and run only made it more of a passion and eventually a business interest. Tom recently completed his seventh full-distance race and his wife Jane is also a triathlete, having competed in several Alpha Win Sprint and Alpha Long Course distance races.

WHERE WILL WE GO NEXT?

Alpha Win is confident you will enjoy every aspect of your race experience, from the course and location, to the staff and the smile that will greet you at the finish line. With over 40 years of experience producing major athletic participation events, the knowledge backing the Alpha Team ensures high-quality endurance events with a focus on its participants. Let Alpha Win be your next race!

Any time served in the Penalty Area shall become incorporated into the athlete’s official time for the event. An athlete charged with a violation while in transition or on the run course shall be directed by the official to serve the penalty either in place or at the Penalty Area.

DIVISIONS - Divisions for Alpha Win Series will be based on five year age groups for both male and female athletes starting at age 17 and under and continuing until 85+. In addition to the five year age group scoring for the Alpha Win Championship, each of the events within the Alpha Win Series will follow USAT age group breakouts for sanctioned rankings.

USAT ATHLETE EXCESS MEDICAL POLICY - The athlete excess medical coverage protects each participant for the day of the event at USAT sanctioned races, camps and clinics. When athletes purchase a USAT annual license or one day permit, a portion of those fees cover the cost to provide them with excess medical insurance. This coverage only extends to their participation in an USA Triathlon sanctioned event and is only available after the injured party has filed with any primary insurance policies. A deductible does apply for this excess coverage. If an athlete is injured while participating in a USA Triathlon sanctioned event the following steps must be followed:

- Athletes must file with their primary healthcare provider (i.e. United Healthcare, Blue Cross, Blue Shield, Aetna, traveler's insurance, etc.).
- Athlete completes a medical claim form.
- For serious incidents or for athletes requesting coverage, either the race director or USAT can provide them with a medical claim form. The medical claim form along with all explanation of benefit documents should be sent directly from the athlete to the insurance company as indicated on the claim form. Please email Sanction@UsaTriathlon.org for a copy of the form.
- Athletes will pay a deductible. All claimants will pay anywhere from \$250 USD (two-hundred and fifty U.S. dollars) to \$1,000 USD (one thousand U.S. dollars) out of pocket and possibly more for uncovered expenses.

Be advised that coverage may not apply to each and every claim. Additionally, coverage only extends to participants that have purchased an USA Triathlon annual license or one-day permit and were injured through participation in an USA Triathlon sanctioned event. Please email questions to Sanction@UsaTriathlon.org.
