Getting to know

Alpha Win Triathlon Series

WHO ARE WE?

Alpha Win, formerly known as HITS Endurance, was created in 2011 to give athletes the chance to race in beautiful destinations. Alpha offers multiple race distances that appeal to a full range of skills and fitness levels, from the first-time racer to the professional triathlete. From the Family Mile run to an Alpha Long Course, anyone can feel like an Alph Athlete.

Tommy Struzziari

Tommy Struzziari is the President and CEO of Alpha Win. He took the company over from his father, Tom Struzziari, in 2020.

Tommy's journey in endurance sports began at a remarkably young age. His early achievements, such as being named an All-American age group triathlete at 12, are a testament to his natural talent and dedication. Despite facing multiple large-scale injuries, he continued to pursue his passion, eventually running Division 1 track and Cross Country at Syracuse University.

Tommy's unwavering dedication to Alpha Win is evident as he continues to train and work tirelessly to grow the company.

Tom Struzziari

Tom Struzziari is the founder of HITS, Inc., the largest equine show-jumping production company in the world. He has run world-class events since 1977.

Tom's foray into triathlon occurred after receiving training sessions for his 50th birthday. He wanted to set a positive and powerful example to his three children that fitness and good health are essential ingredients for living life to the fullest. Overcoming personal obstacles through the challenges of the swim, bike, and run only made it more of a passion and, eventually, a business interest. Tom recently completed his seventh full-distance race. Jane, Tom's wife, is also a triathlete, having competed in several Alpha Win Sprint and Alpha Long Course distance races.

Where will we go next?

Alpha Win is confident you will enjoy every aspect of your race experience, from the course to the location, to the staff and smile that will greet you at the finish line. With over 40 years of experience producing major athletic participation events, the knowledge backing the Alpha team ensures high-quality endurance events with a focus on its participants. Let Alpha Win be your next race.

TIMING CHIPS

Athletes will receive a timing chip at check-in and will be responsible for wearing the chip at all times while racing. Fasten it to your ankle, facing outward, under your wetsuit with the Velcro strap provided before the swim and leave it on until after you finish the run. If you lose your timing chip at any time during the race, please notify a timing official and you can receive a new one at transition. Volunteers will help you remove the chip at the finish line. If you do not start the race, you are responsible for returning the chip to timing. If you drop out or are pulled from the race at any time, turn in your chip to a race official. Failure to do so may disqualify you from participating in future Alpha Win events. It is essential that we know where you are on the course at all times for your safety and our peace of mind. If you are transported to any medical station, the medical staff will take responsibility for your chip. By picking up your race number and timing chip, you are guaranteeing that you will return the chip to timing, or you will be billed \$25 for its replacement.

Athletes who choose not to respect this policy will receive an automatic disqualification.

WETSUIT POLICY - Wetsuits are not required, but are highly recommended for all Alpha Win events. The expected water temperature in June Lake is between mid-70's Fahrenheit and proper swimwear is ultimately at the discretion of each individual athlete.

3.7A. Time Penalties for Elites. A “variable time penalty” as used in these Rules shall mean a time penalty that varies in accordance with the distance category of the event. The variable time penalty for each of the distance categories shall be the following:

Distance Category	Time Penalty
Short/Intermediate Cycle Course less than 50k	1 minute
Long Cycle Course 50-100k	2 minutes

a. First Violation – Time Penalty. A variable time penalty shall be imposed for the first violation of these Rules in which a time penalty is expressly authorized.

b. Second Violation. For a second violation of these Rules the athlete shall be disqualified from the event and shall be required to immediately withdraw from the race and vacate the course. Any athlete who fails to withdraw from a race and continues on the course after being disqualified shall be suspended from membership in USA Triathlon and barred from participation in any USA Triathlon sanctioned event for a period of one year.

3.7B Assessment of Time Penalties/Conduct of Athletes. All variable time penalties imposed under **Section 3.7A shall be assessed in accordance with this Section.** Except as otherwise provided herein, any violation of or failure to comply with this Section 3.7B shall result in disqualification.

a. First Violation – Stop and Go System. Unless a Penalty Area System is being used pursuant to subsection (b), an athlete charged with a first violation of these Rules in which a time penalty is expressly authorized shall safely pull over to the side of the bicycle course and shall come to a complete stop, placing both feet on the ground. An athlete charged with a violation while in transition or on the run course shall come to a complete stop. The race official shall properly mark the athlete’s race numbers and the athlete shall remain stopped under the direction of the race official for a period of time equal to the applicable variable time penalty. When the official indicates that the time penalty has expired, the athlete may continue with the race.

b. First Violation – Penalty Area System. Notwithstanding subsection (a), if a Penalty Area is being used in the event, an athlete charged with a first violation of these Rules in which a time penalty is expressly authorized shall (1) safely decrease speed while maintaining a straight line of movement, (2) come to a complete stop, and (3) place both feet flat on the ground while completely stopped. The race official shall properly mark the athlete’s race numbers and allow the athlete to continue with the race. After completing the bicycle course and properly securing the bicycle, the penalized athlete shall immediately report to the designated penalty box or penalty area, which shall be located within or adjacent to the transition area (the “Penalty Area”). The penalized athlete shall remain in the Penalty Area for a cumulative amount of time equal to the variable time penalty assessed against the athlete. After such time has expired as determined by race officials, the athlete may exit the Penalty Area and continue with the race. Any time served in the Penalty Area shall become incorporated into the athlete’s official time for the event. An athlete charged with a violation while in transition or on the run course shall be directed by the official to serve the penalty either in place or at the Penalty Area.

d. Penalty Area Conduct. While in the Penalty Area, no athlete shall dress, undress, change uniforms, or adjust any race equipment. Running shoes may be worn into, but shall not be carried into the Penalty Area. While in the Penalty Area, no athlete shall accept any form of aid or assistance, including food, drink, or equipment, from any other person, including race officials. USAT ATHLETE EXCESS MEDICAL POLICY - The athlete excess medical coverage protects each participant for the day of the event at USAT sanctioned races, camps and clinics. When athletes purchase a USAT annual license or one day permit, a portion of those fees cover the cost to provide them with excess medical insurance. This coverage only extends to their participation in an USA Triathlon sanctioned event and is only available after the injured party has filed with any primary insurance policies. A deductible does apply for this excess coverage. If an athlete is injured while participating in a USA Triathlon sanctioned event the following steps must be followed:

- Athletes must file with their primary healthcare provider (i.e. United Healthcare, Blue Cross, Blue Shield, Aetna, traveler's insurance, etc.).
- Athlete completes a medical claim form.
- For serious incidents or for athletes requesting coverage, either the race director or USAT can provide them with a medical claim form. The medical claim form along with all explanation of benefit documents should be sent directly from the athlete to the insurance company as indicated on the claim form. Please email Sanction@UsaTriathlon.org for a copy of the form.
- Athletes will pay a deductible. All claimants will pay anywhere from \$250 USD (two-hundred and fifty U.S. dollars) to \$1,000 USD (one thousand U.S. dollars) out of pocket and possibly more for uncovered expenses.

Be advised that coverage may not apply to each and every claim. Additionally, coverage only extends to participants that have purchased an USA Triathlon annual license or one-day permit and were injured through participation in an USA Triathlon sanctioned event. Please email questions to Sanction@UsaTriathlon.org.
