# Message from **ALPHA WIN**

Dear Alphaletes,

Alpha Win welcomes you to the Alpha Win Hudson Valley Triathlon at Williams Lake. We look forward to kicking off our 2025 New York Triathlon season with you!

Athletes will be competing at the beautiful Williams Lake, the future site of the Williams Lake Resort. Led by the Williams Lake Project, their mission is to build a modern, sustainable resort on the site of the former Williams Lake Hotel, honoring the site's unique history and the Williams family legacy of land stewardship and community outreach.

Whether you have raced with us before, or this is your first time, it is our mission to get you to the finish line with a smile and a sense of fulfillment. By completing an Alpha Win race, you will have tested your limits and accomplished a phenomenal feat that most people only dream to attain. We aim to deliver the best service and experience to help you achieve your goal.

The Hudson Valley Triathlon would not be possible without the help and support of Hudson River Valley Resorts, the Town of Rosendale, the Rosendale Police Department, the Ulster County Sheriff's Office, New York DEP Police, New York State Department of Transportation, Empress Ambulance, The Bicycle Rack, and of course, our volunteers.

We are proud to continue offering A Distance For Everyone® at some of the most beautiful destinations across the country, including our four New York races; Hudson Valley Marathon, Hudson Valley Triathlon, Lake George Triathlon, and Saugerties Triathlon. In all, we will produce 10 races and host approximately 10,000 athletes this year, demonstrating our unending passion for the sport and our commitment to providing a fun and safe race for all.

## Alpha Win Triathlon Series

### WHO ARE WE?

Alpha Win was formed in 2020 as a successor to HITS Endurance, and produces ten events annually in three states; New York, California and Florida, bringing endurance sport to the doorstep of athletes around the country. With the mantra “A Distance For Everyone®,” Alpha Win prides itself on catering to athletes of every level, from the first-time competitor to the elite athlete. With its family-friendly feel and beautiful locations, Alpha Win provides a destination racing series that anyone can enjoy.

### Thomas (Tommy) Z Struzzieri – Owner, CEO and Race Director Alpha Win

Tommy's interest in endurance sports started at an early age, going to watch his father race and joining in on some early morning track workouts. He fell in love with endurance sports and was named a USA Triathlon All-American age group triathlete at 12 years old. Throughout high school, he began to focus on running and despite several large-scale injuries, ran Division 1 Track and Cross Country at Syracuse University.

In 2020 Tommy took the reins of the family endurance business from his father, rebranding HITS Endurance to Alpha Win, bringing the company into the new decade with a new energy and vigor. With the mantra “A Distance For Everyone®,” Alpha Win prides itself on offering competitive opportunities for everyone, from the beginner athlete to the seasoned veteran, and everyone in between.

Tommy is a USAT-certified race director and has served as a Board Member on the USAT Multisport Committee. His races have been selected multiple times to host USAT Championship Events, including the USAT New York State Championship at Alpha Win Lake George in 2022 and 2025, USAT Military and First Responders National Championship at Alpha Win Palm Springs in 2023 and 2024, and USAT California State Championship at Alpha Win Napa Valley Spring in 2024.

Tommy continues to train in track and road racing, driving himself to be successful both personally and professionally, applying his passion and dedication to endurance sports into all aspects of Alpha Win.

# Getting to know

## Alpha Win Triathlon Series

### **Thomas (Tom) G. Struzzieri – Founder HITS Endurance, Assistant Race Director Alpha Win**

In 1977, Tom founded what would become the largest equestrian show jumping company in the world, HITS Horse Shows. With the approach of “Grass Roots to Grand Prix,” Tom changed equestrian sport by offering competitive opportunities for riders at all levels, from first-time competitors to seasoned Olympians. HITS Horse Shows were chosen to host multiple international championships including Nations Cup, World Cup and Olympic Qualifying events.

In 2011, Tom combined his passion for events with his personal interest in a healthy active lifestyle and founded HITS Endurance, the predecessor to Alpha Win. He mirrored the competitive format from his equestrian success and brought it to triathlon, where he offered as many as five race distances in a weekend, from an Open introductory race to a 140.6 distance. Under his son’s direction, HITS Endurance, now Alpha Win, carries on this approach, reaching a broad range of athletes at nearly a dozen races across the country.

Some of the original races and locations from HITS Endurance remain, such as the Palm Springs (CA) and Sarasota (FL) triathlons, but his son has added his own flair to the races and added some amazing locations such as Napa Valley and June Lake (CA) and Lake George (NY).

Tom continues his active lifestyle, running or biking most every day. He has completed bicycle rides across the United States, South America, and Vietnam, with his next venture being to bike through Africa.

### **Where will we go next?**

Alpha Win is confident you will enjoy every aspect of your race experience, from the course, to the location, to the staff and the smile that will greet you at the finish line. With over 40 years of experience producing major athletic participation events, the Alpha Win team ensures high-quality endurance events with a focus on its participants. Alpha Win offers “A Distance For Everyone®,” because there is an Athlete in Everyone. Let Alpha Win be your next race.

## TIMING CHIPS

Athletes will receive a timing chip at check-in and will be responsible for wearing the chip at all times while racing. Fasten it to your ankle, facing outward, under your wetsuit with the Velcro strap provided before the swim and leave it on until after you finish the run. If you lose your timing chip at any time during the race, please notify a timing official and you can receive a new one at transition. Volunteers will help you remove the chip at the finish line. If you do not start the race, you are responsible for returning the chip to timing. If you drop out or are pulled from the race at any time, turn in your chip to a race official. Failure to do so may disqualify you from participating in future Alpha Win events. It is essential that we know where you are on the course at all times for your safety and our peace of mind. If you are transported to any medical station, the medical staff will take responsibility for your chip. By picking up your race number and timing chip, you are guaranteeing that you will return the chip to timing, or you will be billed \$25 for its replacement.

**NO CHIP = NO TIME.**

The best way for athletes to be prepared for this is to check the local weather forecast on the day prior to and on the morning of the race and to have the proper attire available to be able to race safely in cold conditions, including jackets, gloves, tights and shoe coverings.

Alpha Win has also implemented the following policy:

1. If the water temperature is below 59 degrees Fahrenheit, the race director will consider shortening the swim distance; if the water temperature is below 54 degrees Fahrenheit, the swim will be cancelled.
2. If the air temperature is below 41 degrees Fahrenheit regardless of water temperature, the swim will be cancelled or the race may be delayed until air temperatures rise above 41 degrees Fahrenheit

**EVENT SANCTION & RULES** - All Alpha Win events are sanctioned by USA Triathlon (USAT) and will enforce all USAT rules and conduct guidelines. Doping and drafting are strictly prohibited at all distances at every Alpha Win event. Race Marshals will be present on course penalizing athletes who do not abide by the rules. **FINISH LINE POLICY** - Per USAT rules, Alpha Win will not allow friends and/or family members of athletes to cross the finish line or enter the finish chute with participating athletes at any distance in order to ensure the safety of all participants, volunteers and spectators. Time and space will be provided at the finish line for celebration. Athletes who choose not to respect this policy will receive an automatic disqualification.

**b. Second Violation.** For a second violation of these Rules the athlete shall be disqualified from the event and shall be required to immediately withdraw from the race and vacate the course. Any athlete who fails to withdraw from a race and continues on the course after being disqualified shall be suspended from membership in USA Triathlon and barred from participation in any USA Triathlon sanctioned event for a period of one year.

**3.7B Assessment of Time Penalties/Conduct of Athletes.** All variable time penalties imposed under **Section 3.7A shall be assessed in accordance with this Section.** Except as otherwise provided herein, any violation of or failure to comply with this Section 3.7B shall result in disqualification.

**a. First Violation – Stop and Go System.** Unless a Penalty Area System is being used pursuant to subsection (b), an athlete charged with a first violation of these Rules in which a time penalty is expressly authorized shall safely pull over to the side of the bicycle course and shall come to a complete stop, placing both feet on the ground. An athlete charged with a violation while in transition or on the run course shall come to a complete stop. The race official shall properly mark the athlete’s race numbers and the athlete shall remain stopped under the direction of the race official for a period of time equal to the applicable variable time penalty. When the official indicates that the time penalty has expired, the athlete may continue with the race.

**b. First Violation – Penalty Area System.** Notwithstanding subsection (a), if a Penalty Area is being used in the event, an athlete charged with a first violation of these Rules in which a time penalty is expressly authorized shall (1) safely decrease speed while maintaining a straight line of movement, (2) come to a complete stop, and (3) place both feet flat on the ground while completely stopped. The race official shall properly mark the athlete’s race numbers and allow the athlete to continue with the race. After completing the bicycle course and properly securing the bicycle, the penalized athlete shall immediately report to the designated penalty box or penalty area, which shall be located within or adjacent to the transition area (the “Penalty Area”). The penalized athlete shall remain in the Penalty Area for a cumulative amount of time equal to the variable time penalty assessed against the athlete. After such time has expired as determined by race officials, the athlete may exit the Penalty Area and continue with the race. Any time served in the Penalty Area shall become incorporated into the athlete’s official time for the event. An athlete charged with a violation while in transition or on the run course shall be directed by the official to serve the penalty either in place or at the Penalty Area.

USAT ATHLETE EXCESS MEDICAL POLICY - The athlete excess medical coverage protects each participant for the day of the event at USAT sanctioned races, camps and clinics. When athletes purchase a USAT annual license or one day permit, a portion of those fees cover the cost to provide them with excess medical insurance. This coverage only extends to their participation in an USA Triathlon sanctioned event and is only available after the injured party has filed with any primary insurance policies. A deductible does apply for this excess coverage. If an athlete is injured while participating in a USA Triathlon sanctioned event the following steps must be followed:

- Athletes must file with their primary healthcare provider (i.e. United Healthcare, Blue Cross, Blue Shield, Aetna, traveler's insurance, etc.).
- Athlete completes a medical claim form.
- For serious incidents or for athletes requesting coverage, either the race director or USAT can provide them with a medical claim form. The medical claim form along with all explanation of benefit documents should be sent directly from the athlete to the insurance company as indicated on the claim form. Please email [Sanction@UsaTriathlon.org](mailto:Sanction@UsaTriathlon.org) for a copy of the form.
- Athletes will pay a deductible. All claimants will pay anywhere from \$250 USD (two-hundred and fifty U.S. dollars) to \$1,000 USD (one thousand U.S. dollars) out of pocket and possibly more for uncovered expenses.

Be advised that coverage may not apply to each and every claim. Additionally, coverage only extends to participants that have purchased an USA Triathlon annual license or one-day permit and were injured through participation in an USA Triathlon sanctioned event. Please email questions to [Sanction@UsaTriathlon.org](mailto:Sanction@UsaTriathlon.org).
