A DISTANCE FOR EVERYONE™

**2026 Sponsorship Opportunities**

# WHO WE ARE

Alpha Win was formed in 2020 as a successor to HITS Endurance, which has produced endurance events since 2011. Alpha Win produces more than a dozen triathlon and running events in Florida, New York and California.

The Alpha Win Vision is to provide “A distance for everyone”™, by producing multiple race distances in desirable destinations that are geared to each participant's unique level of training, endurance capacity and personal goals. Events are family-oriented and inclusive with something for everyone, whether you are a seasoned veteran, a first-time racer, or a spectator.

Alpha Win aims to create an unforgettable experience for all participants, with exceptional courses, high-quality amenities, and a fun and supportive atmosphere. Join us and discover the Alpha Win difference!

## DEMOGRAPHIC OVERVIEW

Alpha Win athletes are a highly sought after demographic to any business. They are goal-oriented individuals who are successful in sport and in life. They enjoy what they are doing and like to share that information within their work and peer groups. Athletes view triathlon as a lifestyle as much as a sport. Here are a few facts and key points about them:

### College Educated

more than 80% have a 4-year degree or higher; good decision makers

### Married

over 70% are married or in a domestic relationship; steady focused household

### High Household Income (HHI)

71.5% of our athletes have \$100,000 HHI; close to 12% are more than \$200,000; they are ready, knowledgeable consumers

### Travel to Race

94% of respondents plan to travel outside their community to race; 68% indicate they will travel at least 1,000 miles to their next triathlon; they take action when something is important to them

### Active Lifestyle Advocates

90% of respondents race at least 2X each year with 55% expected to race up to 9X every year; return customers for triathlon-related products & services
